RUHMAN & Co. TURY is queste room ten of confit will at

Grant, Jackson and Clay.

It is certainly not very respectful to the memory of Jackson and Clay to associate their names and memories with the name of Grant, but, by way of contrast, the apparent disrespect will, no doubt, be excused. With a link Western swearing and a little In his letter accepting the Radical nomina tion for President, Grant says: "I shall have no policy of my own to i

terfere against the people."
U. S. GRANT. Now, if you want to see the great difference between this man and the immortal soldier, read : "I say again, fellow-citizens, remember

the fate of Rome, and vote for No CANDI-DATE who will not tell you with the frankness of an independent freeman the princioles upon which, if elected, he will adminster your Government. "That man deserves to be a slave who and Interest allowed at reasonble would vote for a mun candidate when his

iberties are at stake ANDREW JACKSON. Henry Clay was not, like Jackson, a warrior, but he was, like Jackson, a great states man. Do you suppose Henry Clay would vote for Grant, if he were alive to-day: If so, undeceive yourself by reading the fol-

"If my suffrage is asked for the highest civil officer of my country, the candidate, however illustrious and successful he may be, must present some other title than laurels however gloriously gathered on the BLOOD-STAINED BATTLE-FIELD.

HENRY CLAY.

'WAR,' 'WAR,' 'WAR,' ALL THE TIME .-The supporters of Grant and Colfax are indignant at the Protest of the Democratic members of the House, and also with Gov. Seymour, because nothing is said in these two papers of the rebellion. Gentlemen, the rebellion is over. It ended in April, 1865. Vour candidate for President cave Lee and his army their parole at that time, at short range, and give you a chance to and declared they would not be arrested or nock at his sides. The flea is a game bug, tried as long as they obeyed that parole. and will make a dash at you even on Broad- He even went so far (see his testimony beway: but the bed-bug is a garrotter who fore the House Judiciary Committee last waits till you strip, and then picks out a mel- summer) as to declare that there was no ow place to eat you. If I was ever in the reason why a rebel general should not rehabit of swaring. I would not hesitate to ceive amnesty as well as a rebel soldier. The war having ended then by the accomplishment of all its avowed objects, includway one pair ov them will stock a hair ing the abolition of the rebe; debt and slamatters in two weeks with bugs enuff to very, to what end should any Democrat revive its terrible history? Unless malice it don't do easy good tew pray when and revenge are pleasurable emotions, and Source are in season; the only way to get unless the Jacobin party is a party of retaliof them is to bile up the whole bed in ation and vengeance, there is no good reaa majortis and then heave it away and buy son for a constant reminder of the war through which we have passed. It is Peace Bed-bugs, when the hav grown awl the and good will among the people, and pros-

mands this, while the highest goodness and It takes three days to get the swelling out | divine wisdom declares-"If ye forgive not men their trespasses, neither will your If bed-bugs hav enny destiny to fill it Heavenly Father forgive you your tres-OTHER THINGS ABOUT BEES. - The poppy bee makes her nest in the ground, burrow ing down about three triches. At the bots On all parts of the United States! the must have taken the wrong track, for tom she makes a large round hole, and lines the kant be enny wisdom in chewing a man it splendidly with the scarlet leaves of the awl night long and raising a family besides wild poppy. She cuts and fits the pretty tapestry till it is thick, and soft, and warm, If there is some wisdum in all this, I then partly fills the cell with honey, lays an Gold, Stlver, Promissory Notes, Govcan see it, and let me be, because I am one up the hole, so it cannot be distinguished: and there, in its rosy cradle, with food to eat and a safe nook to rest in, she leaves her baby bee to take care of itself. The leafcutting bee makes her cell of green leaves shaping them like thimbles. These little jars she half fills with a rose-colored paste of Attention is particularly called to the sub- honey and police from thistle, lays her eggs, ject by the sad results of this terrible disease and covers the pots with round leaf-lids that which have occurred lately, and, as usual fit exactly.
